World History

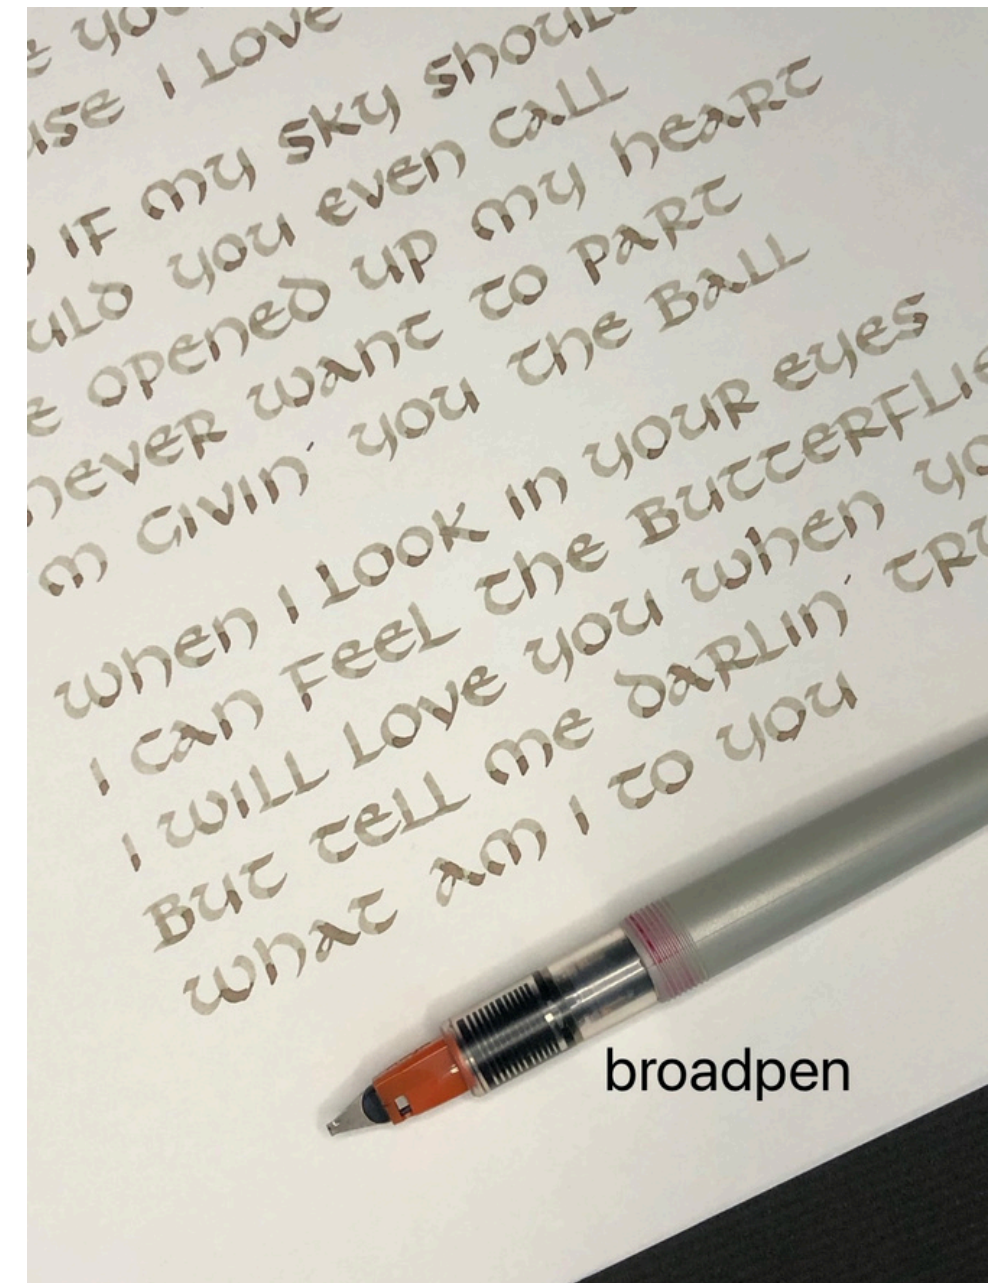

In this dynamic and engaging elective course, students will embark on an action-packed journey through the history of the world, from ancient civilizations to modern times. This class will explore history not just as a series of dates and events, but as an exciting quest filled with mystery, discovery, and exploration. Through interactive lessons, hands-on projects, and creative storytelling, students will uncover the fascinating connections between cultures, the rise and fall of empires, and the powerful forces that have shaped the modern world. Prepare for an unforgettable journey into the past, where history comes to life in thrilling and unexpected ways!

Barbara

Broad Edge Letters

Explore the world of broad edge calligraphy in our Broad Edge Letters course! This course will focus on the uncial script – an ancient script used by the Greek and Latin scribes from 4th - 8th century. Students will learn to use a specialized calligraphy pen, the broad pen, and use it to write the uncial script. Join us and transform alphabets into a canvas for creativity and self-expression.

Lydia

Korean Culture

With its ever-growing influence on the world, Korean culture has taken the world by a storm. Spanning from K-Pop, K-Dramas, Korean food, and much more, it has nudged its way into the hearts of many people around the world.

In this course, we will explore Korean influence in media and film, as well as uncover the historical, cultural, and societal norms of the country. Furthermore, as we acquire a better understanding of Korean culture, we will examine the cross-cultural implication it has on the world around us. All in all, it is a course for anyone who is interested in getting to know more about Korean culture!

Jimmy

Intercultural Communication

Intercultural Communication explores the dynamic interaction between people from diverse cultural backgrounds. Students will learn to identify and navigate cultural differences, develop empathy, and enhance their communication skills in multicultural settings. Through case studies, interactive activities, and real-world applications, participants will gain insights into overcoming barriers and fostering effective communication.
